Live projects · Industry certification · 100% placement support · SAP-mapped curriculum

## PROGRAM SUMMARY

Master enterprise-scale ERP strategy, multi-plant rollouts, governance and digital transformation leadership.

The ERP Enterprise Architect Program is our flagship 180-day track, designed for leaders who shape enterprise technology strategy. You'll master multi-plant and global rollouts, enterprise architecture, governance and digital transformation leadership.

This is the most advanced certification in the academy, preparing you for CIO-track, enterprise architect and transformation leadership roles where ERP strategy meets business strategy.
