Live projects · Industry certification · 100% placement support · SAP-mapped curriculum

PROGRAM SUMMARY

A fast, hands-on introduction to ERP concepts and the PMTechERP platform — perfect for students and professionals exploring an ERP career.

The ERP Foundation Workshop is the perfect first step for students, graduates and working professionals who want to understand what ERP is and why it powers modern business. In a focused 2-hour, hands-on session you'll explore real ERP screens and core business processes.

It's an affordable, low-commitment way to test the waters before enrolling in a full certification — and you walk away with a Certified ERP User badge to add to your resume.
