Live projects · Industry certification · 100% placement support · SAP-mapped curriculum

PROGRAM SUMMARY

Become a job-ready functional consultant in a single ERP domain with live projects, certification and placement support.

The ERP Functional Certification is our flagship 30-day program and the fastest route to a paid ERP consulting role. You pick one functional domain — Finance, Procurement, Sales, Manufacturing, Quality, Maintenance, Warehouse, HR, CRM or Projects — and learn to configure and implement it end to end.

Combining live instructor-led training, hands-on configuration and real projects, this program produces consultants that employers can deploy from day one. It includes complete placement support until you're hired.
