Live projects · Industry certification · 100% placement support · SAP-mapped curriculum

## PROGRAM SUMMARY

Lead implementations end to end — requirement gathering, blueprinting, configuration, data migration and go-live.

The ERP Senior Consultant Certification is a 60-day program that turns experienced consultants into implementation leaders. You'll own the full project lifecycle — requirement gathering, blueprinting, configuration, data migration, testing and go-live.

This program emphasizes leadership, client management and delivery discipline, preparing you to run implementations and mentor junior consultants on real engagements.
